Dear Members of First Baptist Church

We hope you will find this handbook useful. We worked diligently to ensure that the information is correct and up to date. With more than 850 resident members we know that personal data constantly changes. We rely on individuals to contact the church office with new information and corrections to our directory. We will publish new member information in the weekly newsletter and quarterly updates on the church web site. Please use that information to update your copy of the handbook. If you find incorrect or incomplete information, please call or e-mail the corrections to the church office so we may update our records.

Occasionally we encounter an address that is different from what a member says it should be. This may occur because we use ACS church software to print bulk mail labels. When we receive updates from ACS, the addresses are adjusted to match what the post office has on record. If you feel that the post office lists your address incorrectly, please go to the post office to request a change. We must print the address exactly as the postal service recognizes it.

Thank you in advance for helping us to maintain current information for our directory/handbook.

How to Become a Member of First Baptist Church Lincolnton

*There will be an invitation extended at the close of the worship service.
You are invited to come forward and express to one of the minister how you would
like to unite with First Baptist Church.*

By Profession of Faith and Baptism

Scripture indicates that every person must come to a time in life when he/she responds to God's grace and love by making a life commitment, a time of turning from sin to Jesus, the Savior. It is important to make a public acknowledgment of this new beginning, which we call a profession of faith. Baptism is also a way we let others know of our commitment to Christ.

By Letter

It is customary for a person who is a member of another Baptist congregation to simply transfer his/her membership. Our church office will handle this matter for you.

By Statement

You are welcome to unite with our church by simply acknowledging that you have previously committed your life to Christ and have been baptized by immersion.

If you have any questions you are welcome to call the office at 704-732-1101
